

**Be Aware.
Be Visible.
Be Predictable.
Be Street Smart.**

Safety Pledge for Students & Parents

Read it. Sign it. Live by it.

Helmets Save Lives

Helmets are designed to withstand one (1) crash.

Buckle straps tightly under the chin.

Position your helmet properly by placing it two (2) finger widths above the eyebrows.

Children under 18 are required **by law** to wear helmets while biking, skateboarding, riding scooters.

Power to the Pedestrian!

Use crosswalks and caution.

Look left-right-left before crossing any street.

Never assume that drivers see you - or assume that they will stop.

Make eye contact with drivers and cyclists before crossing streets.

Use caution when passing driveways.

Put away the cell phone and stay alert to your surroundings.

Bike Basics

Ride on the right-hand side of the road, with the flow of traffic.

STOP at stop signs and red lights.

Use hand signals.

Be visible with bright clothing; use bike lights & reflectors at night.

Stop, look left-right-left before entering the street from a driveway, sidewalk, or bike path.

Walk bikes in crosswalks.

Only wear **one** headphone while driving a bike (or car).

Wear a helmet every time you ride.

Drivers: Lives Are at Stake When You're Behind the Wheel.

School Zone speed limit is 25 MPH.

When stopping at an intersection, do not block the crosswalk.

Allow pedestrians to finish crossing the entire crosswalk before proceeding.

Never pass stopped or slowing vehicles at crosswalks.

Always look **RIGHT** before turning right - pedestrians may be crossing.

If you see kids, **slow down**.

Keep your eyes & your mind on the road. **Consequences of distracted driving could last a lifetime.**

It's Up To Me. I will be Street Smart. I pledge to walk, bike and drive safely.
