BICYCLE SAFETY

1. Wear a bicycle helmet.
2. Ride with the traffic flow.
3. Ride in a straight line.
4. Ride to the right

(Unless you are turning left, passing another bicycle or vehicle, or avoiding hazards.)

5. Stop at stop signs and red lights.
6. Use a light, reflectors and reflective clothing at night.
7. Wear bright clothing during the daytime.
8. Keep a safe distance from parked cars.
9. Use proper hand signals when turning, stopping or changing lanes.
10. Use extra caution when it is raining, and allow extra time to stop.
11. Cross railroad tracks at a right angle.
12. Walk your bike when using a crosswalk.
13. Do not wear headphones on both ears while riding.
14. Keep your bike properly maintained so it is safe.
15. Do not drink and ride.
16. Be alert for road hazards.
17. Watch for cars at cross streets and driveways.
18. Obey all traffic signals.
19. Be aware of parked cars and watch for car doors that may open.
20. Give pedestrians the right of way.
